**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Bristol on Tuesday, the 11th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

POLLS WILL CLOSE AT 6:00 P.M.

Action on the following Articles at 7:30 p.m. Thursday, March 13, 1980.

2. To see if the Town will vote to appropriate the sum of seventy thousand dollars (\$70,000.00) for the purchase of a new tank truck, pumper and associated equipment for the use of the Fire Department and to authorize that said truck be purchased under the direction of the Fire Commissioners. The appropriation to be financed as follows: Five thousand one hundred eighty five dollars (\$5,185.00) from the Revenue Sharing Trust Fund, forty thousand six hundred fifteen dollars (\$40,615.00) to be withdrawn from the Fire Department Capital Reserve Fund and the balance of twenty-four thousand two hundred dollars (\$24,200.00) to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds, said notes or bonds to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town Seal, and delegate to the Selectmen the discretion of fixing the date, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bond or notes and providing for the sale thereof. (Recommended by Budget Committee)

3. To see if the Town will vote to transfer the sum of twenty one thousand eight hundred dollars (\$21,800.00) from the Capital Reserve Equipment Fund, to be expended under the direction of the Selectmen toward the purchase of a new town truck, plow and sander. (Recommended by Budget Committee)

4. To see if the Town will vote to raise and appropriate the sum of twenty-five hundred dollars (\$2,500.00) to be used for the purchase of materials necessary in the development and restoration of town prop-

erties and rights of ways thereto, in accordance with the outline of CETA funded projects as recommended by the Conservation Commission. This article shall be valid only if CETA funds are available. (Recommended by Budget Committee)

5. To see if the Town will vote to use the Proctor Capital Reserve Fund for improvements at Cummings Beach if needed.

6. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount
Bridge at Walkers	\$ 7,250.00
Resurfacing Streets	10,000.00
Police Cruiser & Equipment	10,000.00
Fire Truck	5,185.00
Health Services (NANA, Ambulance, Hospitals)	10,865.00
Crescent Terrace	<u>1,700.00</u>
	\$45,000.00

(Recommended by Budget Committee)

7. To see if the Town will vote to accept the budget as submitted by the Budget Committee and raise and appropriate the sums set forth therein to be raised by taxation.

8. To see if the Town will vote to authorize the Board of Selectmen to accept a gift to the Town of approximately two acres, more or less, located within Lot R-32-2 owned by Phyllis Burkush along with adequate land for an access road to said parcel for the purpose of installing and maintaining a Bristol Water Works water storage facility and further, to authorize the Selectmen to provide the owner of said lot with access to the owner's remaining land over said access road.

9. To see if the town will authorize the selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided, (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Select-

men prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town moneys, all as provided by RSA 31:95-b.

10. To see if the Town will vote to authorize the Selectmen to dispose of a portion of town road located in Camelot Acres, said parcel situated between Lots 11 and 12 on a plan duly recorded with the Grafton County Registry of Deeds entitled "Subdivision Plan I and III Camelot Acres, Newfound Lake, Bristol, New Hampshire." The said parcel of road being also a portion of all streets, roads and ways as laid out in the Camelot Acres and deeded to the Town of Bristol by Camelot Acres, Inc. and duly recorded by the Grafton County Registry of Deeds, Book 1263, Page 317, dated November 17, 1975.

11. To see if the Town will vote to elect the Chief of Police rather than have the selectmen appoint one. This would be effective as of Town Meeting 1981. Candidates for the above mentioned office must meet minimum state requirements for being a Chief of Police. If no certified candidates file, the selectmen may appoint a Chief for the period until the following town meeting. Passage of this article would rescind Article 16 of the Town Warrant dated 1957. (Submitted by Petition)

12. To see if the town will adopt the provisions of RSA 654:34-a permitting applications for changes in party affiliation to be made with the Town Clerk.

13. To see if the town will vote to authorize prepayment of resident taxes and to authorize the tax collector to accept prepayments as provided by RSA 80:1-a.

14. To see if the Town will vote to accept the amendments to the Flood Damage Prevention Ordinance (a copy of which is on file at the Town Clerk's office). Original Act was adopted under Article 11 of the Town Warrant March 4, 1976.

15. To see if the Town of Bristol will vote to accept from The Bristol Bank a conveyance by Quitclaim Deed, of a parcel or tract of land located at Central Square in Bristol, New Hampshire, more particularly bounded and described as follows: "Southerly by Pleasant Street; Easterly by North Main Street; Westerly by property referred to as the Village Inn; Northerly by the driveway leading from North Main Street and bounding the Village Inn on the North". This parcel of property is to be used by the Town of Bristol solely for public and/or charita-

ble purpose. If this parcel is used for any other purpose, then ownership will revert to The Bristol Bank.

16. To see if the town will vote to adopt the following ordinance relating abatement of unnecessary noise:

UNNECESSARY NOISE

1. **Unnecessary Noise Prohibited.** It shall be unlawful for any person to make, continue, or cause to be made or continued any excessive, unnecessary loud noise or any noise which disturbs the peace and good order of the neighborhood or causes the annoyance or disturbance of persons owning, using and occupying property in the neighborhood. Without limiting the generality of the foregoing, musical performances or renditions whether live, recorded or broadcast by radio or television, after nine o'clock in the evening, which are at a volume which disturbs the peace and good order of the neighborhood or cause annoyance or disturbance of persons owning or occupying property in the neighborhood, shall be unlawful.

2. **Amplified Noises.** (a) No person shall use or operate or cause to be used or operated any mechanical device, machine, apparatus or instrument for the reproduction, intensification or amplification of the human voice, music or any other sound or noise from any public or private place in such manner that the peace and good order of the neighborhood is disturbed or that persons using or occupying property in the neighborhood are disturbed or annoyed.

(b) No person shall operate any sound or public address system upon the public highways, sidewalks or commons of the town without first procuring a permit from the selectmen for each such occasion, which permit shall be granted if the selectmen find that the proposed use is for a legitimate function or activity and will be carried on during such time of day and in such area of the town as will make such use reasonable under the circumstances. The fee for such permit shall be (\$2.00) dollars.

3. **Penalty.** Any person found guilty of a violation of this ordinance may be punished by a fine of not exceeding fifty (\$50.00) dollars.

17. To see if the town will vote to pass an amendment to the ordinance on consumption of alcoholic beverages as follows:

Item A of the Ordinance pertaining to the consumption of alcoholic

beverages as adopted under Article 15 of the Town Warrant dated March 4, 1976 is hereby amended to read as follows:

a. No person shall consume any alcoholic beverage while in or upon any street, public place or public building within the Town of Bristol. Possession of an open bottle or container of any alcoholic beverage shall be considered as prima facie evidence of consumption.

18. To see if the town will vote to adopt the following new dog ordinance:

CONTROL OF DOGS

1. **At Large Prohibited.** Dogs are not permitted to be at large within the Town of Bristol. The owner of a dog found at large within the town shall be in violation of this ordinance.

2. **Impounding.** Any dog found at large, outside the premises or property of the owner, within this town may be restrained and impounded by the Bristol Police Department. A dog so impounded may be confined in a suitable animal shelter for a reasonable period of time. An impounded dog not claimed by the owner, within 72 hours after notice to the owner, if known, or if the owner is unknown and dog unclaimed within ninety-six hours after impoundment, may be humanely disposed of by the Town of Bristol or turned over to a duly organized humane society for disposition.

3. **Claiming Impounded Dogs.** Any owner claiming a dog impounded by the Bristol Police Department shall pay to the Town of Bristol a fee of ten dollars (\$10.00) plus three dollars (\$3.00) for each day the dog has been impounded, to secure its release to the owner.

4. **Enforcement.** Enforcement shall be the responsibility of the Bristol Police Department. The Chief of Police may, at his discretion, issue complaints alleging violations of this ordinance. Any owner found guilty of such a violation may be punished by a fine of not more than fifty dollars (\$50.00) and each day of violation may be considered a separate offense as the court may decide.

5. **Alternative Procedure.** In lieu of impounding a dog found at large in violation of this ordinance, a police officer may issue to the owner of the dog a notice of ordinance violation. If the owner of the dog on receiving the notice shall himself cause such dog to be restrained, and pay to the town, all within 48 hours of such notice, a penalty of ten dollars (\$10.00), such restraint and payment shall be accepted in full satisfaction of any penalty or charge which could have been assessed for such violation.

6. **Definitions:** “Dog” means any member of the species Canidae. “Owner” means any person, firm or corporation maintaining, keeping, caring for, harboring, owning or entitled to possession of a dog. “At large” means off the premises or property of the owner and not under control of a responsible person and not confined to a vehicle.

7. **Repeal.** This ordinance repeals all prior town ordinances relating to restraint of dogs.

19. To see if the town will vote to adopt a curfew ordinance relating to minors under the age of 16 as follows:

CURFEW

1. **Minors under sixteen.** In the Town of Bristol it shall be unlawful for any minor under the age of sixteen years to be upon any public street, or in any public place, after the hour of eleven o'clock in the evening, unless accompanied by a parent, guardian or other suitable person.

2. **Parental duty.** It shall be the duty of any parent, guardian or person having control of any minor under age of sixteen years, to restrain such minor from violation of section 1, and any such parent, guardian or person having control of such minor who shall permit such minor to be upon any public street or in any public place in violation of section 1, shall be in violation of this ordinance, and if found guilty shall be subject to a fine of not exceeding thirty (\$30.00) dollars. For the first violation, the child shall be taken to its home by the police officer and the parents, guardian or person having control shall be notified of the penalty for subsequent violations.

20. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

21. To see if the Town will vote to authorize the Selectmen to sell tax acquired property.

22. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 22nd day of February, in the year
of our Lord nineteen hundred and eighty.

CHARLES E. GREENWOOD
BURTON W. WILLIAMS
GEORGE S. KING
Selectmen of Bristol

A true copy of Warrant — Attest:

SELECTMEN'S REPORT

The Town of Bristol continues to maintain a reasonably healthy growth pattern in this era of rampant and runaway inflation. With the cost of everything spiraling upward (including town services), your selectmen managed to work well within the 1979 budget allowed by the voters at town meeting. An approximate \$24,390 was left unexpended. Un-audited accounts at this time show a town surplus of \$112,499.

Insofar as town valuation, between one-half and three-quarter million dollars worth has been added each year over the past three years. Elderly exemptions and current use appear to have tapered off to a bare minimum, thus helping to stabilize the tax base.

The new town shed is now fully operable. The facility has enabled better maintenance of town owned vehicles and afforded quicker repair upon breakdown during storms or other operations. The town network of roads grew with the addition of Holidays Hills this year. Today, Bristol finds her residents living in and about ALL her roads year round. Many of these people work different hours throughout the day and night, both in town and out. Our large school busses travel many of our narrow back roads. Full year round maintenance is not only required, but expected by those living outside the village. Hence, our highway department costs continue to climb.

Another major area of concern is crime — notably vandalism and the rowdy's roaming all about. This is not unique in Bristol. All towns are suffering these problems. Bristol citizens have taken the initiative and gone on record that they are fed up. We, as your selectmen, agree. The institution of a Blue Ribbon Committee was instituted. They did a tremendous job of looking into the problem. It is hoped 1980 sees Bristol getting a handle on her crime problems.

The voters authorized a new water source in 1979. Hopefully, the system will be completely installed in 1980 and thus meet the needs of water consumers for many years to come. To supplement the new water source there should be either a new and larger tank or increasing the capacity of the present tank.

Your selectmen would also be remiss in stating that it is becoming harder and harder to find capable people willing to volunteer to serve on town boards and commissions when vacancies occur. One of the town's most important committees — the budget committee — has

seen a change over in membership of 29 in the past five years, 10 of those resigned. Resignations are constantly occurring and no one appears willing to serve beyond a three year term in order to contribute both experience and knowledge on town budgeting procedure.

Still, with all the problems that are arising along with those looming on the horizon, Bristol, we feel, is showing moderate growth. We honestly believe good services are being rendered within a reasonable tax rate structure. Federal and state intrusion into local affairs does become more apparent each succeeding year. Hopefully, Bristol and other New Hampshire communities will continue to maintain the small town way of life.

Lastly, the selectmen wish to thank all members of the town family for all the time and effort contributed toward making Bristol the kind of town we all can be proud of.

Selectmen of Bristol
Charles E. Greenwood
Burton W. Williams
George S. King

TOWN OF BRISTOL

Letter of Transmittal

Members of the Board of Selectmen
Town of Bristol
Bristol, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination of the financial statements of the Town of Bristol, New Hampshire for the year ended December 31, 1978. Exhibits as hereafter listed are included as part of the report.

Financial Statements

General Fund

<i>Balance Sheet</i>	Exhibit A-1
<i>Statement of Change in Fund Balance</i>	Exhibit A-2
<i>Statement of Estimated and Actual Revenues</i>	Exhibit A-3
<i>Statement of Appropriations and Expenditures</i>	Exhibit A-4

A balance sheet disclosing the financial condition of the general fund at December 31, 1978 is presented in Exhibit A-1. As indicated therein, the unappropriated fund balance amounted to \$58,384 at December 31, 1978. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations and expenditures are included in Exhibits A-3 and A-4, respectively. As indicated therein, revenues in excess of estimates amounted to \$19,525, while appropriations exceeded expenditures by \$1,422, resulting in a 1978 budget surplus of \$20,947.

Capital Projects Fund

<i>Balance Sheet</i>	Exhibit B-1
<i>Statement of Appropriations, Expenditures and Changes in Fund Balances</i>	Exhibit B-2

A balance sheet of the capital projects fund at December 31, 1978 is presented in Exhibit B-1. A statement of appropriations, expenditures and changes in fund balances is contained in Exhibit B-2. The appropriated fund balance amounted to \$7,063, while the unappropriated fund balance, representing monies received over and above the 1978 appropriation for the public works building project, totaled \$593. Long-term notes authorized and unissued totaled \$13,700.

Special Revenue Funds

Balance SheetExhibit C-1
Statement of Revenues, Expenditures and
Changes in Fund BalancesExhibit C-2

A balance sheet of all the special revenue funds is presented in Exhibit C-1. These funds include federal revenue sharing and anti-recession fiscal assistance funds, Kelly Park Commission, Municipal Court, Minot-Sleeper Library, and comprehensive employment training act funds. The special revenue fund balances totaled \$24,402 at December 31, 1978. A statement of revenues, expenditures and changes in fund balances is contained in Exhibit C-2.

Enterprise Funds

Water Department Fund
Balance Sheet..... Exhibit D-1
Statement of Revenues and Expenses and Changes
in Retained Earnings..... Exhibit D-2
Statement of Changes in Financial Position Exhibit D-3

Sewer Department Fund
Balance Sheet.....Exhibit E-1
Statement of Revenues and Expenses and Changes
in Retained Earnings.....Exhibit E-2
Statement of Changes in Financial PositionExhibit E-3

The financial information covering the Enterprise Funds (Water and Sewer Departments) is disclosed in the aforementioned exhibits (see Note 1 of Notes to the Financial Statements).

Trust and Agency Funds

Balance Sheet.....Exhibit F-1
Statement of Revenues, Expenditures and Changes
in Fund Balances.....Exhibit F-2

A balance sheet and statement of revenues, expenditures and changes in fund balances of the trust and agency funds are presented in Exhibit F-1 and F-2, respectively. These funds include the Town en-

dowment funds, capital reserve funds, performance deposits and library trust funds. Total trust and agency fund balances were \$161,436 at December 31, 1978.

Debt Service Funds

Statement of Revenues and Expenditures Exhibit G

A statement of revenues and expenditures of the debt service fund is presented in Exhibit G. The Town paid \$35,500 for principal and \$26,119 for interest payments for the current year redemption of serial bonds and notes.

Long-Term Indebtedness

Balance Sheet Exhibit H-1

Statement of Town Debt Exhibit H-2

A balance sheet of the general long-term debt of the Town is contained in Exhibit H-1. The long-term debt amounted to \$547,000 at December 31, 1978. A statement of debt service requirements is shown in Exhibit H-2.

Comments and Recommendations

Overdraft of Appropriations and Application of State Municipal Budget Law

As indicated by the general fund statement of appropriations and expenditures (Exhibit A-4), there was a net overdraft of Town appropriations of \$4,087 as a result of 1978 operations.

In cases of this sort, the provisions of the municipal budget law (RSA 32:10-a) require that the Board of Selectmen, with the approval of the Budget Committee, petition the Commissioner of Revenue Administration for a certificate of emergency which would authorize the expenditures made in excess of budgetary appropriations. A letter from the Commissioner of Revenue Administration authorizing the request to expend \$5,900 in excess of the original appropriation for police vehicles under the emergency provisions of the municipal budget act was received December 26, 1978.

We would like to thank the officials and the office staff of the Town of Bristol for their cooperation in providing us with the documents necessary for completion of the audit.

Very truly yours,

Killion, Plodzik & Sanderson

COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES

TOWN CLERK – TAX COLLECTOR

Another busy year has passed with activity in the Town Clerk-Tax Collectors office remaining about the same. Auto registrations increased slightly with income from them up about \$7000.00 because of the increased value of the newer cars.

Most are remembering to register their vehicles during their birthday month but some still need to take note of this fact. Motor Vehicle has tried to improve the registration forms so you will not have the problem of fading that many of you had this year.

In reporting the vital statistics this year, we are not including quite as much information as recommended by the State Bureau in compliance with the new state law which limits who may have access to these records.

Taxes came in about as usual with approximately 82% paid as of December 31st. Even though it was voted to allow prepayment of property taxes, very few did so. Many changes in ownership of property and some new building going on.

A reminder of my office hours: Monday 9 to 5, Tuesday through Friday 9 to 1 and Thursday evening 7 to 9.

Barbara L. Avery
Town Clerk/Tax Collector

MINOT-SLEEPER LIBRARY
Report of the Board of Trustees
For the Year 1979

1979 circulation figures for the various categories of books are outlined below:

Adult Fiction	6053
Adult Non-Fiction	1894
Junior Fiction	2613
Junior Non-Fiction	924
Book Mobile	709
Magazines	1857
Records	63

We are pleased that these figures represent a substantial increase in circulation in six out of the seven categories listed. The year 1979 also saw the inauguration of a new service — a paperback book swap rack. This has proven to be very popular, and will be enlarged as space and facilities permit. During the past year 252 new books were purchased, 129 accepted as gifts, and 20 were received as memorials. At the same time 95 books were retired from circulation due to condition or lack of usage. A continuation of this ratio will eventually result in a space problem.

After 18 years of continuous service with the library, Mrs. Carolyn Dickinson submitted her resignation as Asst. Librarian because of health reasons. Her constant willingness to serve and help will long be remembered by many library patrons.

In June the trustees held a tea in her honor, and presented her with flowers, cards and a gift. The event was well attended as many of her numerous friends came in to chat and say “thanks again” for the many kindnesses extended throughout the years.

To succeed Carolyn, the trustees were pleased to appoint Mrs. Florence LaClair to the position of Asst. Librarian. Mrs. LaClair is studying library science at the state college, and is thus gaining exposure to current library philosophy and procedural techniques.

Due to break-ins and increased vandalism, the trustees were forced to defer plans for several capital improvements. Instead efforts and finances were concentrated on the installation of surveillance and alarm systems. This project is now in place, and the money to pay for it came in large part from the Susan E. Doherty Fund.

The trustees would like to express their appreciation for the dedicated services of all members of the staff, and we look forward with pride to increased usage and patronage of the library facilities.

William G. Carruth, Chairman
Trustees, Minot-Sleeper Library

ADDITIONAL NOTES

The undetermined discrepancy that appeared in last year's report of \$2.70 was found by the auditors to have a check error on a book purchase. The records have been adjusted accordingly.

As of January 1, 1979 only one Trust Fund Account (Frances Minot) still held shares of The Bristol Bank Common Stock which was received when the Bristol Savings Bank and The First National Bank of Bristol merged.

In order to facilitate the transfer of this stock to the Investment Funds Program and by vote of the Trustees the Treasurer loaned the Investment Funds – Income Account the sum of \$160.00 from the Checking Account, without interest, to enable the purchase of these shares from the Frances Minot Fund. They were purchased at Market Price in late April. The loan was repaid from accumulated dividends in the Investment Funds – Income Account in mid-December.

Gordon S. Dole
Treasurer

BRISTOL MUNICIPAL COURT
1979 Report

There were 1,027 complaints brought before the Bristol Municipal Court in 1979. Of this number, 944 were criminal complaints, 69 were small claims and there were 14 Juvenile petitions. As of August 22, 1979 all Juvenile petitions have to be handled in District Court.

A breakdown of the criminal complaints shows that 706 were motor vehicle violations. There were 96 misdemeanor charges, 2 felonies and 140 other violations.

BRISTOL COMMUNITY CENTER ANNUAL REPORT – 1979

On behalf of the Bristol Recreation Advisory Council, it gives me great pleasure to make this annual report of the Community Center. As usual, the activities and events sponsored by the Recreation Department during 1979 may certainly be described as productive, lively and exciting.

We have served hundreds of youngsters in the many leagues, tournaments and classes. It is important to note that almost all of these recreational opportunities are provided through volunteer instruction by people who care. To these many, many volunteers and for the generous expressions of financial support, the department is deeply grateful.

1979 has been an exceptional fund raising year. The successful and popular "March Madness" dance was the highlight. We became free and clear, during 1979, on the Wells Field debt, with the unselfish help of many. The 25th annual Lobster Supper was not only a dinner, but a celebration of a traditional accomplishment.

Our major capital improvement this year was a rowboat, purchased with funds donated in memory of Will Park. Other improvements included much needed carpeting for the office and front hall, combination wall and floor mats for the gymnasium, a new walk through Snowflake Chapel for Santa's Workshop and a new burgular alarm system.

It is hoped that Newfound area residents are proud of the broad and diversified efforts of the recreation department. The Center will continue to strive to produce a year-round program which is one of the outstanding assets of the community.

Sincerely,
Merelise O'Connor
Director of Recreation

Respectfully Submitted,
Alan D. Blakeley
Secretary Treasurer

BRISTOL WATER COMMISSION

Many hours have been spent on the water supply expansion project. To date four separate contracts have been negotiated:

No. 1 – For piping and appertances,

No. 2 – For below ground level well construction (which has been completed),

No. 3 – Part of the pipeline construction and

No. 4 – Balance of the pipeline construction.

Contract No. 5 for the Pump House and associated construction has been sent out for Bids and the Bids have been received but the award has not been made as yet. The target date for the completion of the entire project has been set for November of 1980.

No major problems have been encountered since the low well level situation at the Storm Center Pumping Station about a year ago. However, the fact still remains that the well is continually supplying from four (4) to eight (8) times its original designed capacity.

Your Commissioners welcome and encourage Bristol water consumers to be concerned and lend a hand in all matters concerning the management and prosperity of the Bristol Water Works.

A major change placed in effect as of January 1, 1980 is the complete independence of the sewer charges from being based on the quantity of water consumed. This means that regardless of how much water is used now that you pay only for water and at the current rate and a standard quarterly sewer charge. We encourage (while the water level will allow) liberal water usage.

The Bristol Water Works is approaching break-even status financially. The year of 1980 will, hopefully, again remain at that status (if greater amounts of water are consumed due change in the method of determining the sewer rates). The existing rates for water were established in the year of 1954, a remarkable 26 years ago. With the new water supply system will undoubtedly come a new rate schedule. However, it is our hope to continue a year or so at the present rates while we obtain data upon which to base any changes that may have to be made.

WATER COMMISSIONERS

John Bianchi

Kenneth Brown

Gordon Dole

BRISTOL SEWER COMMISSION

Our Sewer System is now eleven years old. The maintenance and repair going on are mostly the result of the age of the equipment. However, our maintenance program is paying off in that we operated well within our budget this year.

Carroll Brown was replaced by Chester Smart the last of the year. Carroll having other interests resigned his position as of December 31st. Both Carroll and Chester have contributed much to the operation of the Plant.

The Crescent Street Project was completed during the summer and everyone is now connected to the extended system.

FIRE DEPARTMENT REPORT

The Bristol Fire Department wishes to take this opportunity to summarize the fires and their activities for the past year.

The department responded to 70 calls this past year. There were 4 structural fires, 18 chimney fires, 15 Mutual Aid or out-of-town calls, 6 car or truck fires, 2 gas washdowns, 2 electrical fires, 3 gas fires, 7 false alarms, 3 furnaces, 2 car accidents, 2 power lines down, and 6 miscellaneous calls.

The Fire Commissioners have again spent many hours in looking at and talking with company representatives in the search for a new truck to replace the old 500 gallon tanker. They have also continued their fire inspections of town and public buildings with the hopes of preventing possible fires. They will also continue to do this next year.

The company purchased a new base radio this past year. This was available thru state funds which the commissioners put in for and received. A new generator was also installed at the radio tower. This now goes on automatically when power is off so that we can maintain radio communications.

Weekly drills and training sessions continued and several members attended the Lily Pond and Twin River Fire Schools. Training and keeping up with new methods will continue again this next year and also the training of the newer members.

Raymond A. Greenwood
Clerk

Fire Commissioners of Bristol:
Frederick J. Morgan
Richard G. Ackerman
Kenneth P. Brown

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

THE NEWFOUND AREA NURSING ASSOCIATION, INC.
TOWN REPORTS 1979

Serving the four towns of Alexandria, Bristol, New Hampton and Bridgewater, the Newfound Area Nursing Association looks forward to its' twentieth anniversary. Operating out of our headquarters on 61 Lake Street, Bristol, the association serves as the community health agency.

There were four free blood pressure screenings held during 1979. The plans for the future will continue to offer quarterly screenings to be held in February, May, August and November. Since it is such a simple, inexpensive test which saves a person from the life threatening illnesses (Heart Attack, Stroke), it will remain a high priority for the agency.

In addition, we held two screenings in conjunction with the Lions Club of Bristol. They supply us with more than \$16,000 in free testing equipment. Testing is done for glaucoma, sight, diabetes, anemia and hearing.

This year a new component was added to the home health aide program. The aides can now be contracted to do homemaker service. To date 1979 has seen 1,498 visits to the residents of the Newfound area.

Under a contract with Meredith Visiting Nurses Association, the agency made 235 Home Health Aide visits to clients covered by Meredith.

The association also hosts a W.I.C. program once a month on the fourth Thursday. It has grown in numbers since its' inception and now serves over eighty women, infants and children. Through this program, which is hosted by N.A.N.A., nutritional counseling, anemia testing and supplementary food vouchers are available to pregnant mothers, infants and children under five years of age.

The immunization clinics were held at the high school and the elementary school through the cooperation of Ms. Phyllis Robertson and Ms. Marilyn Noyes. With this joint effort we have now reached an immunization level of 97% compared to the Grafton County Statistic of 72%.

Inservice Education and workshops were held monthly for the staff to keep abreast of the latest techniques and trends in health care. In December the agency hosted a statewide seminar on Biofeedback. It was attended by other agencies as well as staff from H.E.W.

Two grants were awarded to the agency this year. They were negotiated through the efforts of the staff and board of directors. One grant will provide monies to plan a well child program funded by the state of New Hampshire. The second grant was awarded through the March of Dimes and will provide seed monies for a prenatal/childbirth program.

In October a new program was added, Maternal and Child Health. Under this new program 17 mothers and 15 infants were seen in this quarter. Cases were referred by local physicians and the five hospitals in our catchment area.

Skilled visits made in 1979 in number, were 2,118. Visits made by the part-time physical therapist in number, were 162.

In conclusion one must realize that growth of this dimension and expansion of this size could only be possible through the efforts of the entire community served.

PLANNING BOARD 1979

The Bristol Planning Board has had a busy year. Zoning Regulations were put before Town Meeting and voted down.

Finishing touches are being done on the new Flood Plain regulations. The Lakes Region Planning Commission has been working with the Board on revised Sub-division regulations and maps for the Town of Bristol. The Lakes Region Planning Commission has been most helpful to the Planning Board explaining legal matters.

Members of the Planning Board have been attending Conservation Commission meetings as well as Lakes Region Planning Commission meetings and other seminars.

Ralph H. Dow
Chairman

REPORT OF THE BRISTOL POLICE DEPARTMENT – 1979

The Bristol Police Department has seen a continued increase in certain types of criminal activity this past year. One of the most noticeable of these crimes is vandalism.

In 1979 the Police Department established a Summer Intern Program (full time Special Officer) which put an officer on foot patrol duty at night in the square area of the village. The Police Cadet Program was again used to provide traffic control and other types of assistance during the busy summer days. In 1980 the department hopes to continue both of these programs.

Enclosed with this report is a list of statistics of several areas handled by the Police Department in 1979.

The Bristol Police Department shall continue striving to improve its police image in 1980 and looks forward to further cooperation by the public at large. A police department is only as effective as those willing to support it.

Barry W. Wingate
Chief of Police

CONSERVATION COMMISSION

Remaining very active in many things that affect our community's everyday environment the commission had a busy year. Once again a Newfound Memorial High School student from Bristol was sponsored at the annual New Hampshire Youth Conservation Camp. Stephanie Corrette reported a very busy, fun week, learning much from studying our country's renewable resources: Forest, Soil, Wildlife and Water.

Nearing completion is an inventory of land and buildings owned by the Town of Bristol. This is the first step in a project designed to get an overall view of town property locations with an end to making recommendations for future use of our town's resources. Valuable assistance has already been given the Commission by the Lakes Region Planning Commission.

The Commission has been asked by the Blue Ribbon Committee to follow up on its recommendation to start a town conservation project involving some of the youth in town. In the planning stages is a project using CETA funds to create a recreation area on the land along the Newfound River being donated to the town by International Packings Corporation, improving the boat launch on the Pemi River and improving access to the old railway depot off Central Street.

This Commissioner and Ralph Dow, Chairman of the Planning Board have regularly attended the monthly meetings of the Lakes Region Planning Commission. The opportunity for sharing ideas, problems and solutions with the other member communities as well as the reporting by the Planning Commission on various local, State and Federal activities has been beneficial.

The Conservation Commission meets regularly on the first Thursday of each month.

Donald W. Martin
Chairman

To the Citizens of Grafton County:

In an effort to communicate more directly with the taxpaying citizens of Grafton County, we, the Grafton County Commissioners, are writing to you through your individual town or municipal reports.

Last year (1978-79) the total county tax raised was \$1,977,142. These monies were appropriated by the County Delegation and administered by the Commissioners. Some of the ways this money was spent was in maintenance of our courthouse, nursing home, county farm, sheriff's department, jail and house of correction, social welfare, etc.

The average number of patients in our nursing home is 140. The average daily census of the Jail/House of Correction is 25. We had a total of 349 inmates in the Jail and 114 inmates in the House of Correction during our fiscal year.

In addition to providing food for the nursing home complex and agricultural services for the community, the farm also continually shows a profit. In our fiscal year 1979 the farm profit was \$60,654, due in part to sales of pigs at \$5,500, cows at \$27,000, wood at \$1,800, hay at \$2,100, milk at \$135,444 and produce at \$48,129.

We have completed Phase II — Design of the sewage project and anticipate beginning construction under Phase III in the spring. The total overall cost of the project is approximately \$540,000, of which \$400,000 is federal grant, \$110,000 State share and \$30,000 County share.

We are making an effort to conserve energy, particularly in the courthouse building, and are taking a hard look at any modifications in this so called "modern" facility that will make it a less expensive consumer of fuel.

A trial dispatching service was instituted for 16 area fire departments and probably will be made a permanent function during the latter part of 1979. A yearly fee is charged for this service.

Grafton County employs 230 people of whom we are very proud. It is because of these people that Grafton County continues to operate efficiently and within budget.

There are many other concerns that we, the Commissioners, deal with. We invite the citizens of Grafton County to take part in any of our regular meetings held each Monday morning at the courthouse in North Haverhill.

Richard L. Bradley, Chairman
Dorothy Campion, Clerk
Arthur Snell
GRAFTON COUNTY
COMMISSIONERS

BIRTHS REGISTERED FOR THE YEAR ENDING DECEMBER 31, 1979

Date of Birth	Name of Child	Place of Birth	Name of Father	Maiden Name of Mother
